MEMORANDUM FOR THE RECORD

SUBJECT: Discussion with [ ] regarding  
IH Organization Study

25X1

1. Met on 30 April 1981, 1400 - 1500 hours.
2. Main discussion topics were:
  - a. Introducing current study and its outline plan.
  - b. Discussing the five major "Reasons for Change":  
improved customer services, improved career  
management, cost effectiveness, ease of management,  
better equipped to handle future plans.

Joe stressed that these factors were essential to develop prior to proposing organizational realignments. At the moment, he couldn't think of additional factors, but promised to review his files and suggest others if they surfaced.

- c. Joe suggested that I request
  - Copies of the PMCD review of OC (It may have position data which I need)
  - A survey of professional societies (ACM, etc) to determine how many of the members have crossover skills (e.g., EE with data processing)
  - A copy of the NSA study on the organization of the T Group (it should be in the IHTF files)
